- Planned major in Aerospace Engineering with a minor in Computer Science
- **CS-Related Coursework:** Data Structures and Algorithms I, Discrete Math and Theory I

Ocean Lakes High School, Virginia Beach, VA   Graduation: June 2022
- 4.86 weighted GPA / 1560 SAT
- National AP Scholar
- Math & Science Academy Graduate

Experience

Boucher Brothers, Virginia Beach, VA
Beach Attendant   *Summer 2020*
- Worked in a team, pairs, or alone in managing a street.
- Interacted with a variety of customers and checked up with them various times during the day.
- Since there was such low managerial oversight because we had to cover the whole beach, much of the day to day operations were given to the beach attendants. This meant we set-up and teared down each day and handled the money.

Kroger, Virginia Beach, VA
Pick-up Associate   *Summer 2022*
- Worked individually and as a team to get orders to customers as soon as possible.
- Assisted customers around the store
- Closed the pick-up section alone or with a partner

Research Projects and Papers

Using Maglev Trains to Launch Rockets, Virginia Beach, VA
Senior Research Project   *2021-2022*
- Explored various options for rocket launch assist
- Researched in depth maglev trains and their applications for rocket launch assist
- Built a Matlab model testing whether it is a viable idea or not

Leadership and Involvement

Ocean Lakes Esports Club, Virginia Beach, VA   *2020-2022*
Club President
- Organized casual meetings and tournaments
- Oversaw the competitive teams

Rocket League Team Captain
- Led the Rocket League team, placed top eight in the state 3 out of the 4 seasons

Additional Clubs
- Math and Science Academy Club, Cinematography Club, Esports Club, National Honor Society, Varsity Tennis

Skills

- **Software:** Autodesk Inventor, MATLAB, Java
